

Netherlands Experimental Stroke Alliance

4th NESOA Symposium

Date: November 24th, 2023

Venue: Amsterdam University
Medical Center, *Costerzaal*

Scientific Programme

Timeslot	Topic	Presenter
10:00 – 12:30	Junior Scientist session	Moderators: Inge Mulder and Bart Franx
12:30 – 13:30	<i>Lunch</i>	
13:30 – 15:30	Incomplete Microvascular Reperfusion	Chairs: Rick Dijkhuizen and Jeannette Hofmeijer
13:30 – 14:15	<u>Keynote speaker</u> Incomplete Microvascular Reperfusion, no-reflow phenomenon and poor outcome despite complete recanalization after large vessel occlusion stroke	Prof. Dr. Jean-Claude Baron <i>Inserm</i>
14:15 – 14:35	Incomplete Microvascular Reperfusion: Clinical perspective	Dr. Bart Emmer <i>Amsterdam UMC</i>
14:35 – 14:55	Incomplete Microvascular Reperfusion: Preclinical observations of a clinical problem	Dr. Inge Mulder <i>Amsterdam UMC</i>
14:55 – 15:15	Impact of contact activation in acute ischemic stroke	Dr. Magdolna Nagy <i>Maastricht UMC</i>
15:15 – 15:30	Plenary discussion on Incomplete Microvascular Reperfusion	
15:30 – 16:00	<i>Coffee/tea break</i>	
16:00 – 16:30	Translation between experimental and clinical stroke recovery studies	Prof. Dr. Rick Dijkhuizen <i>UMC Utrecht</i>
16:30 – 17:30	<i>Drinks</i>
